3.01 Service Provider will provide the following level of care services:

Specialized mental health and substance abuse treatment services. Specialized level of care consists of a structured, controlled residential treatment setting that is designed to provide appropriate supervision and a moderate level of therapeutic services to maintain or improve the child's functioning.

3.02 Service Provider will also provide/perform the following services:

- A. Provide basic residential services, including: standard supervision by qualified adults, food and snacks, recreation, personal hygiene items, hair cuts, transportation, school supplies, room, (rent, utilities, maintenance, telephone), as agreed by Contracting County.
- B. The Probation Officer and parents will be informed immediately, if during working hours. After normal working hours, every effort will be made to notify Contracting County and the parents. In the event of serious illness or accident and for any required follow-up care Service Provider shall be responsible for having the child transported to the nearest hospital or emergency care facility.
- C. Provide to the Contracting County Department a written Individualized Treatment/Case Plan developed in concert with the client and mutually agreed upon by the appropriate Service Provider staff and the Probation Officer within thirty (30) days of placement. Said Individualized Treatment/Case Plan shall include measurement of progress towards goals in the Plan. The Individualized Treatment/Case Plan shall contain the reasons why the placement may benefit the client; shall specify behavioral goals and objectives being sought for each client; shall state how the goals and objectives are to be achieved in the placement; shall state how the parent(s),

guardian(s), and, where possible, grandparents and other extended family members will be involved in the program plan to assist in preventing controlling the child's objectionable behavior.

- D. Initiate and document meetings to review the Individualized Treatment/Case Plan with the child and the assigned Residential Services Probation Officer at reasonable intervals, not to exceed ninety (90) days, to assess the child's progress toward meeting goals set forth, making modifications when necessary, and determining the need for continued placement outside of the child's natural home.

- J. In accordance with §29.012(b)(1) of the Texas Public Education Code, as a condition of this contract for residential services, Service Provider shall notify the school district in which the facility is located not later than the third day after the date a child is placed in the facility.

ARTICLE IV COMPENSATION

- 4.01 For and in consideration of the above-mentioned services, Contracting County agrees to pay the Service Provider the sum of \$162.30 per day for each child, i.e., the daily rate, admitted under this Agreement. The daily rate shall be paid to the Service Provider for each day a child is in residential placement pursuant to billing and paying procedures agreed upon by Service Provider and Contracting County. Payment is due within 30 days of receipt of billing.
- 4.02 Psychiatric services will be provided to the child on an as needed basis. The Contracting County shall provide a written psychological or psychiatric evaluation. If the battery of tests included in the evaluation is older than six (6) months prior to admission, a clinical interview performed within six (6) months prior to admission shall be submitted with an updated diagnosis and prognosis.
- 4.03 Service Provider will submit an invoice for payment of services to the Contracting County on a monthly basis. Said invoice shall be submitted with ten (10) working days following the end of the invoiced month and shall include information deemed necessary for adequate fiscal control, including but not limited to: to be attributed to specific clients if appropriate, date service was rendered, total daily cost, and total monthly cost. Each invoice received for payment will be reviewed by Contracting County in order to monitor Service Provider for financial compliance with this Agreement. Invoices submitted by Service Provider in proper form shall be paid by Contracting County in a timely manner.
- 4.04 Contracting County shall be responsible for all of the juvenile's medical expenses, including prescription medication. Contracting County may make arrangements directly with vendors for the provision of, and

payment for, routine medical expenses, including without limitation, hospitalization and dental, for Post-Adjudication program juveniles, or can authorize in writing Service Provider to do so on behalf of Contracting County at Contracting County's expense.

- 4.05 If an emergency examination, EMS treatment, health care treatment, and/or hospitalization outside the Facility ("Outside Treatment") are required for a child placed in the Facility, the Administrator of the Facility is authorized to secure the Outside Treatment at the expense of the Contracting County. The Administrator shall notify Contracting County of Outside Treatment within twenty-four (24) hours of its occurrence.
- 4.06 If during the course of residential treatment, the Contracting County determines that a part of the youth's treatment program should include time away from the residential setting of the Service Provider, such as weekends and holidays, prior to the completion of the youth's treatment and return home, and wishes that the youth return to the residential setting after a period away from the residential setting, the Contracting County shall request the Service Provider to retain space for the youth until his return. To this end, the Contracting County agrees to pay Service Provider the full amount due for such regularly scheduled days away from the residential setting or its program, provided they do not exceed ten (10) days per client and that prior approval has been obtained by the Contracting County. Furloughs will not be authorized for the first ninety (90) days of placement, or until the completion of the first Individualized Program Plan Review, whichever comes first, except in only highly unusual situations.
- 4.07 The Service Provider is under no obligation to retain space for the juvenile in an unauthorized departure situation; however, in no event shall the Contracting County pay for the days when the juvenile was absent without authorization, but no space in the program was retained for such absent client(s) by the Service Provider. The County must be informed in writing if and for how long the Service Provider intends to retain space for such an absent client, and the County may decline in writing all or part of the period for which the Service Provider intends to retain the space.
- 4.08 Service Provider shall account separately for the receipt and expenditure of any and all state funds received from Contracting County under this contract. Service Provider shall account separately for state funds received and expended utilizing Generally Accepted Accounting Practices (GAAP). Upon request Service Provider will provide Contracting County with a copy of its most recent financial audit.
- 4.09 It is understood and agreed by Service Provider that this Agreement is funded in whole or in part with grant or state funds and shall be subject to termination without penalty, either in whole or in part, if funds are not available or are not appropriated by the Texas Legislature.
- 4.10 In the event that State Reimbursement Rates are increased during the duration of the terms of this contract, the new rates will become effective reflecting those of the increase.
- 4.11 Service Provider agrees to make claims for payment or direct any payment disputes to Contracting County's Fiscal Officer. Service Provider will not contact other department employees regarding any claims of payment.
- 4.12 Except to the extent that a party to this Agreement seeks emergency judicial relief, the parties agree to negotiate in good faith in an effort to resolve any disputes related to this contract that may arise, no matter when the dispute may arise. If a dispute cannot be resolved by negotiation, the dispute shall be submitted to mediation before the parties resort to arbitration or litigation. The parties shall choose a mutually acceptable mediator to mediate the dispute, and the parties shall pay the costs of mediation services equally.

ARTICLE V
ADDITIONAL TERMS & AGREEMENTS

- 5.01 Prior to transporting a child to the Facility for placement, the official authorizing the placement shall call the Facility to ensure that space is available. Placement of children by authorized officers of Contracting County may be denied, if space limitations require, as determined by the Facility. Service Provider will make every reasonable effort to place the child expeditiously.
- 5.02 A child will only be accepted in the Facility upon receipt by the Facility Administrator of a proper order from the Juvenile Court of Contracting County. Service Provider is under no obligation to accept a client who is deemed inappropriate for placement in the program.
- 5.03 Each child placed in the Facility shall be required to follow the rules and regulations of conduct as fixed and determined by the Administrator and staff of the Facility.

The child shall be removed immediately from the Facility. It will be the responsibility of Contracting County to provide for the transportation for the removal of the child.
- 5.05 Service Provider agrees that the Facility will accept any child who qualifies, without regard to such child's religion, race, creed, sex or national origin.
- 5.06 Except as provided in Section 5.04, it is understood and agreed by the parties that children placed in the Facility under proper orders of the appropriate Juvenile Court shall not be discharged from the Facility until the Administrator of the Facility receives either a written authorization from the Contracting County that placed the child, or and Order of Release signed by the Judge of the Juvenile Court of the Contracting County.
- 5.07 It is further understood and agreed by the parties that nothing in this contract shall be construed to permit Contracting County, its agents, servants, or employees in any way to manage control, direct or instruct Service Provider, its director, officers, employees, agents, shareholders and designees in any manner respecting its work, duties or functions pertaining to the maintenance and operation of the Facility.
- 5.08 Contracting County reserves the right to terminate the client's placement with Service Provider at its discretion. Service Provider must not release a client to any person or agency other than Contracting County without the express consent of an authorized agent of Contracting County.
- 5.09 Contract Prohibitions- A government entity may not enter into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and (2) will not boycott Israel during the term of the contract. TrueCore verifies that it does not boycott Israel and will not boycott Israel during the term of this contract. The term "boycott Israel" is defined by the Texas Government Code Section 808.001, effective September 1, 2017.

This examination and evaluation of the program may include site visitation, observation of programs in operation, interviews and the administration of questionnaires to the staff of Service Provider and the children, when deemed necessary.

- 6.02 For purpose of evaluation, inspection, auditing or reproduction, Service Provider agrees to maintain and make available to authorized representatives of the State of Texas or Contracting County any and all books, documents or other evidence pertaining to the direct costs and expenses of this Agreement.
- 6.03 Service Provider will keep a record of all services provided to Contracting County under this Agreement, and upon reasonable notice will provide information, records, papers, reports, and other documents regarding services furnished as may be requested by Contracting County. Service Provider will maintain the records (as referenced above) for seven (7) years after the termination of this Agreement.
- 6.04 Contractor understands that acceptance of funds under this contract acts as acceptance of the authority of the State Auditor's Office, or any successor agency, to conduct an audit or investigation in connection with those funds. Contractor further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. Contractor will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Contractor and the requirement to cooperate is included in any subcontract it awards.
